COMPETE COLLABORATE AND CO-CREATE A SHARED FUTURE

INDIAFRICA: A Shared Future is a unique approach to foster a People-to-People (P2P) understanding with Africa by inviting creative exchanges between young Africans and Indians through a multidisciplinary contest series and a Young Visionaries fellowship program. This initiative aims to create a dynamic platform for students and professionals across India and Africa to collaborate through competition, innovation and entrepreneurship. The contest series, in the areas of Business Plans, Essay Writing, Photography and Poster Design, will help create a platform for talented young Indians and Africans to exchange ideas about emergent realities, successes and challenges, and explore future collaborations in business, design and culture. The Young Visionaries fellowship programme, seeks to identify promising

young entrepreneurs in India & Africa and offer them opportunities for growth and collaboration. INDIAFRICA aims to forge meaningful bonds between youth from both geographies; inspire new possibilities of collaboration and encourage recognition of diverse nations as interdependent creative problem solvers with unique and invaluable resources and talents.

INDIAFRICA PHOTOGRAPHY COMPETITION 2011-12 WINNER FROM EGYPT

MARWA MORGAN

Cairo University, Egypt

MARWA MORGAN is a senior student at The Cairo University. She has always been passionate about photography, but started practicing it in 2007. Marwa has worked for some local magazines & newspapers and has also done some freelance work. She's mainly interested in documentary and photography. She is currently working on the "100 wesh w wesh" (100 faces and a face) project, which aims at showing the Egyptian diversity through photos of people. She has participated in more than 25 local & 5 international exhibitions, won a number of local prizes & a regional prize which is the UNICEF MENA photographer of the year award in 2011.

Marwa was amongst the Top 18 finalists and won USD 1000 in prize money

INDIAFRICA PHOTOGRAPHY COMPETITION 2011-12 WINNER FROM EGYPT

IBRAHIM SHAWKEY

Ain Shams University, Egypt

IBRAHIM SHAWKEY is an engineering student. He started photography about three years ago with a dream to make a difference with his photos. Capturing people faces, laughter, memories is one part, but shooting streets, colors, movements and change is what he really aims for. He believes that travelling around the world is a way to discover a human being and revive history with his pictures. He believes that different pictures from around the world show how similar everyone is and how people are one; although they seem to be different.

Ibrahim was amongst the Top 18 finalists and won USD 1000 in prize money
